Dear Unclaimed Property Holder:

On behalf of the citizens of Arizona, I would like to thank you for taking the time to file your Unclaimed Property Report with the Arizona Department of Revenue. We have made every effort to create a booklet that is informative and as user friendly as possible. By completing your annual report, you are not only complying with Arizona Revised Statutes, Title 44, Chapter 3, but you are performing a valuable service to the community by helping us protect abandoned property.

The Unclaimed Property Unit works hard to assist holders and claimants of abandoned assets alike. In the past year alone we added almost 400,000 new properties, and returned over 15 million dollars worth of property to its rightful owner. Unclaimed Property has become an increasingly important program for our growing population, and you complete the first step by filing this report and remitting lost assets to the Department of Revenue.

If you should have any questions about how to complete the report contained in this booklet, feel free to contact the Holder Compliance Unit at one of the numbers listed within the instructions. Electronic versions of this manual along with fillable forms are available from our website at www.azdor.gov.

Again, thank you for helping us return property to its rightful owner.

Sincerely,

A handwritten signature in cursive script that reads "Gale Garriott".

GENERAL OVERVIEW

WHAT IS UNCLAIMED PROPERTY?

Unclaimed Property is a financial asset owed to an individual or business. Property is considered unclaimed when there has been no owner contact for a specified period of time, usually between 1 and 5 years.

When efforts by the holder to locate the owner fail, the funds must be turned over to the Department of Revenue who is then responsible for safeguarding the funds, attempting to locate the owners, publicizing the names of apparent owners who cannot be located otherwise, and returning the assets to the owners as they come forward.

Arizona Unclaimed Property law is located in Arizona Revised Statutes, Title 44, Chapter 3, and can be found online at www.azleg.state.az.us.

WHO MUST REPORT UNCLAIMED PROPERTY?

Any person or entity in possession of property (subject to the Unclaimed Property Law) which belongs to another, or who is trustee in case of a trust, or who is indebted to another person on an obligation subject to the Unclaimed Property Law, is deemed a holder of unclaimed property and must report that property to the state. All holders, whether located in Arizona or in other states, must report to the State of Arizona any unclaimed property they hold that is owed to Arizona residents. Arizona domiciled businesses must also report all property where the owners name and address is unknown. All business entities are responsible for filing reports on behalf of their branches, divisions or other affiliates, including:

Banking and financial institutions including state or federally chartered banks, trust companies, savings banks, private bankers, savings and loan associations, credit unions and investment companies.

Business associations wherever located, such as a corporation, joint stock company, business trust, partnership, proprietorship, cooperative, or other association for business purposes (including all insurance companies).

Utilities owned and operated for public use.

Other legal entities including state, county and city governments, political subdivisions, public authorities, public corporations, estates, trusts or any other legal or commercial entity.

Information about other states and their unclaimed property reporting requirements can be accessed through the NAUPA (National Association of Unclaimed Property Administrators) web site at www.unclaimed.org

HOLDER DUE DILIGENCE (a sample letter is included in this booklet)

Arizona Unclaimed Property law requires that **prior to** one hundred twenty days before the holder of property that is presumed abandoned files their report, the holder shall send a written notice to the apparent owner that states that the holder is in possession of the property if all of the following apply:

1. The holder has an address in the holder's records for the apparent owner and the records do not indicate that the address is inaccurate.
2. The claim of the apparent owner is not barred by any other law of this state.
3. The value of the property is at least fifty dollars.

WHAT UNCLAIMED PROPERTY SHOULD BE REPORTED?

Examples of most types of reportable property are listed with their respective property codes and dormancy periods in a chart contained within this manual. Holders must report all unclaimed property that is owed to an Arizona resident or business. In addition, Arizona domiciled holders should report items without an owner name or address and all unclaimed property where the last known address is in a foreign country.

Securities representing underlying shares, stock splits, bonds, etc., must be registered in Arizona's nominee name of CACTUS & CO. (See the Securities Remittance section for more information).

Mutual Funds must be transferred to an account in the name of the Arizona Department of Revenue, Unclaimed Property Section. Confirmation of transfer must be sent with the report.

Safe Deposit Box contents that have been unclaimed by the owner for a period of one year after expiration of the lease must be reported. Please complete an Unclaimed Property report, indicating on the Schedule A all available information, and contact a holder compliance representative at (602) 716-6036 to arrange for delivery of the property.

REPORTING METHODS AND REQUIREMENTS

Electronic Reporting: All holders reporting 25 or more individual accounts **must** report via magnetic media, following the **NAUPA** format specifications, and also provide a hard copy printout. We also request that holders reporting 25 or less properties do so using our 2D bar-coded fillable form available on our website. Reports not received according to the prescribed format will be returned for correction.

Manual Reporting: A holder who cannot utilize electronic media, and has less than 25 records to report, may file using the paper form provided in this booklet. When reporting on paper, all information must be typed or printed clearly, in ink.

For assistance with reporting, contact the Holder Compliance Section at (602) 716-6031 or (602) 716-6034. You can also e-mail us at ReportingUnclaimedProperty@azdor.gov.

WHEN TO FILE

In Arizona, a life insurance company that is a holder of property that is presumed abandoned shall file its report before May 1, and the report shall cover the prior calendar year. Any other holder of property that is presumed abandoned shall file the report before November 1 and the report shall cover the last twelve months before July 1 of that year. A holder may also make a onetime election to annually report the property at the same time it reports its income for the purposes of income tax pursuant to Title 43.

Requests for an extension of time for filing a Report of Unclaimed Property must be submitted to the Holder Compliance Unit in writing prior to either April 1 or October 1 (whichever applies). Please include the entity's FEIN with the request.

Please note: The authorization of an extension only applies to the filing of the report, in order to avoid the interest penalty, payment, along with a copy of an approved Holder Reporting Extension Request, must be submitted to the Holder Compliance Section by either the May 1, or November 1 report due dates, whichever applies. In addition, holders are required to maintain the records that contain the information required to be included in the report for five years after the holder files the report.

SPECIFICATIONS FOR ELECTRONIC REPORTING

DISKETTE AND MAGNETIC MEDIA REPORTING

Approved reporting software is available, free of charge, at www.wagers.net/hrs. We recommend that you update this software yearly as the standard reporting format does change.

The NAUPA format is also acceptable for reporting. You may visit the NAUPA website at www.unclaimed.org for reporting specifications.

It is required that data be sent according to one of these specifications along with a printed hard copy of the data.

If the number of individual records to be reported is greater than 25, and the file (or files) will fit on a floppy (3 1/2" diskette), please adhere to the specifications below:

- a. Use a 1.44 MB high-density diskette only.
- b. Clearly label the outside of the diskette with the holder name, holder address, names of each file contained on the diskette and the format used (e.g., Wagers, HRS, or NAUPA).
- c. When reporting multiple companies on one diskette, assign each company a separate file name.
- d. Type all records in UPPER CASE style.

If the diskette option is not applicable to your situation, using CD or DVD media is the preferred alternative. Magnetic tape or cartridge media is not acceptable.

Please note that a hard copy of your report must accompany your disk or CD, and that the Department is not yet able to accept reports through e-mail.
